# WE ARE THE VOICE OF PUBLIC SAFETY AVIATION

## OUR MISSION

ECHO provides free to low-cost education, high-quality training programs, crew member and program support, and networking opportunities to public safety aviation members around the world.

## OUR VISION

ECHO will be leaders in improving the global public safety aviation industry through premier training opportunities, advocating for cutting-edge safety practices, and supporting the health and wellness of program personnel.

Every Coast Helicopter Operations, a volunteer-run 501(c)(3) nonprofit organization, was re-branded in 2018 due to a growing interest from flight crew members and public safety aviation organizations around the world. Originating on the east coast, ECHO membership and conference attendees now represent all parts of the United States, as well as countries from Europe and the Caribbean Islands, respectively. True to our organization's values, our mission to improve the quality of service and safety of programs around the world is accomplished through the alliance of our corporate sponsors and industry partners. Join us in 2024 for our largest events yet!

# PREPARING THE NEXT GENERATION

TOO OFTEN, WE HAVE HEARD THE STORIES OF MOTIVATED, WELL-QUALIFIED CANDIDATES IMMEDIATELY REJECTED WHILE APPLYING FOR A POSITION WITH AN AIR MEDICAL TRANSPORT PROGRAM. RATHER THAN SIT AROUND AND TALK ABOUT HOW WE WISH THAT WOULDN'T HAPPEN, WE DECIDED TO ROLL UP OUR SLEEVES AND BE THE CHANGE THE INDUSTRY NEEDS. USING THE PASSION THAT WE SHARE FOR THE JOB, FUTURE FLIGHT CREW WAS BORN. SINCE THE INCEPTION OF THE FUTURE FLIGHT CREW, WE HAVE BEEN CONTINUOUSLY DEVELOPING A UNIQUE PROGRAM THAT OFFERS SELECTED APPLICANTS THE OPPORTUNITY TO LET THEIR DREAMS TAKE FLIGHT.

**SO WHY US?** WE REMEMBER WHAT IT WAS LIKE TO BE THAT PERSON ON THE OUTSIDE LOOKING IN. WE REMEMBER WHAT IT WAS, AND IT CONTINUES TO FEEL LIKE TO HAVE OUR HEARTS RACING EVERY TIME WE SEE A HELICOPTER LAND. THAT ENERGY IS WHAT FUELS US. IT IS INCREDIBLY HUMBLING TO KNOW THAT WE HAVE A CAREER THAT THOUSANDS DREAM OF HAVING. AS WE MOVE FORWARD, WE WANT TO GET PEOPLE WHO SHARE OUR ENERGY AND PASSION INTO THE POSITION TO SEIZE HOLD OF THEIR DREAM. IT IS TIME FOR US TO GIVE BACK.

# PROGRAM OUTLINE

FFC IS AN 20-WEEK ONLINE PROGRAM WITH SCENARIO-BASED EVALUATIONS, INDIVIDUAL AND GROUP ASSIGNMENTS, AND COURSEWORK REQUIRING TIMELY COMPLETION. STUDENTS WILL ALSO ATTEND OUR ANNUAL PUBLIC SAFETY AVIATION CONFERENCE IN PERSON!

WHILE THE PROGRAM IS FREE, STUDENTS ARE RESPONSIBLE FOR THEIR TRAVEL EXPENSES.

# PROGRAM REQUIREMENTS

- CURRENT RN OR PARAMEDIC LICENSE/CERTIFICATION
- TWO YEARS OF EXPERIENCE AS AN RN OR PARAMEDIC
- CURRENT ACLS, PALS, PHTLS (OR EQUIVALENT), AND BLS CERTIFICATIONS

# Future Flight Crew Leadership

## **John Hamilton, Co-Director**

John is a Flight Paramedic for CareFlite in North and Central Texas. John has been a Paramedic for 15 years, and a Flight Paramedic for 12. He has a degree in Emergency Medical Services and is a Certified Medical Transport Executive. Most recently, John was the Clinical Chief for Travis County STAR Flight in Austin, Texas and has worked for both LifeLink III in Minnesota and Air Evac Lifeteam in Texas.

## **Michael Cohen, Co-Director**

Michael is a Flight Paramedic and Clinical Educator at Trans Aero Medevac in Southeastern New Mexico. He holds a B.S. in Emergency Medicine from the University of Pittsburgh and is currently pursuing his Masters Degree in Mountain Emergency Medicine. Michael has worked across the United States and abroad, including stints in Niger, Tanzania, Vanuatu, and Haiti.

## **Christian Greengrass, Coordinator**

Christian is a Flight Nurse/Paramedic for CareFlite in Texas. Christian has a BSN from the University of Cincinnati and is currently enrolled in the DNP program at TCU in Ft. Worth, Texas. Christian has an extensive background in EMS education, and has served as a mentor/instructor with Future Flight Crew since 2020.
